

Me gustas tú por Luis Fonsi

Me gusta el mar
Porque si lo ves
Pareciera que a veces
Llega hasta el cielo

Me gusta soñar
Con cosas que pueda alcanzar
Como el viento
Que me da tu pelo

Me gusta cantar
No me importa si lo hago bien,
Lo hago mal, Lo hago con sentimiento,
Yo no soy muy así,
Pero algo me pasa contigo
Que me hace gritar lo que siento

ESTRIBILLO:

*Y es que me gustas tú
Tu voz, tu mirada, la luz que contagias,
La forma en que me hablas
Adicto a la magia que tiene tu alma
Y es que me gustas tú,
Me gustas tú y tú y tú,
Me queda muy claro,
No queda de vueltas,
te quiero a mi lado*

Me gusta volar
Con los ojos cerrados
Se puede llegar
Hasta donde te lleven

Oh yo no soy muy así,
Pero algo me pasa contigo
Que quiero que todos se enteren

ESTRIBILLO

Me tienes loco, alborotado,
Mucho más que enamorado,
No sé lo que me has hecho,
Jamás me había pasado
Mi vida tú has cambiado
Y no me canso de decir

Es que me gustas tú,
Me gustas...
tú y tú y tú
Es que me gustas tú

ESTRIBILLO

Y es que me gustas tú,
La forma en que me hablas,
Adicto a la magia que tiene tu alma
Me gustas, me gustas, me gustas

*I like the sea
Because if you see it
Sometimes it seems that
It arrives to (reaches) the sky*

*I like to dream
With things that I can achieve
Like the wind
That gives me your hair*

*I like to sing
It doesn't matter to me if I do it well,
do it poorly, do it with feeling,
I'm not really like that
But something happens to me with you
That makes me yell what I feel*

ESTRIBILLO:

*And it's that I like you,
Your voice, your glance, the light you transmit
The way in which you speak to me
Addicted to the magic that your soul has
And it's that I like you
I like you, and you, and you
It remains very clear to me
There's no going back
I want you by my side*

*I like to fly
With closed eyes
One can arrive
To wherever they take you*

*Oh I'm not really like this
But something is happening to me with you
That I want everyone to find out*

ESTRIBILLO

*You have me crazy, excited,
Much more than enamored,
I don't know what you have done to me
This had never happened to me
You have changed my life
And I don't tire of saying:*

*It's that I like you
I like you...
You and you and you
It's that I like you*

ESTRIBILLO

*And it's that I like you
The way in which you speak to me,
Addicted to the magic that your soul holds
I like you, I like you, I like you.*
